

## From the Director's Desk

This month is the annual trip to the USA for me and one of the principals to attend our Network of International Christian Schools leadership conference. This conference will be a valuable time for Mr. Thomas and myself to get some further training in many topics relating to school governance and management. This conference also surrounds our weekend recruiting fair, which is a great opportunity to get the BAIS name out to our global teaching community and to help find the right teachers for BAIS.

But we also need your help! The two very specific ways you can assist us are:

1. As you know, we often will post on Facebook and send messages via Twitter about our open positions. Please do all you can to forward those to your contacts.
2. Most importantly, please pray for the hearts and minds of those teachers considering to come. Please pray that as Jeremy, Charity, or I have those initial moments of contact that there is a great communication of what BAIS is all about and to accurately share what God is doing here.

An update on our recruiting process as of this week:

As many of you may already know, Miss Zhang was originally planning to leave BAIS to further her education. She has decided to stay, so we are no longer looking to fill her position. Praise God for Miss Zhang! We have received verbal or email commitments but are still awaiting signed contracts for kindergarten and music. Praise God for providing these two wonderful teachers for us early in the recruiting process. Once we have contracts, we will share names and details.

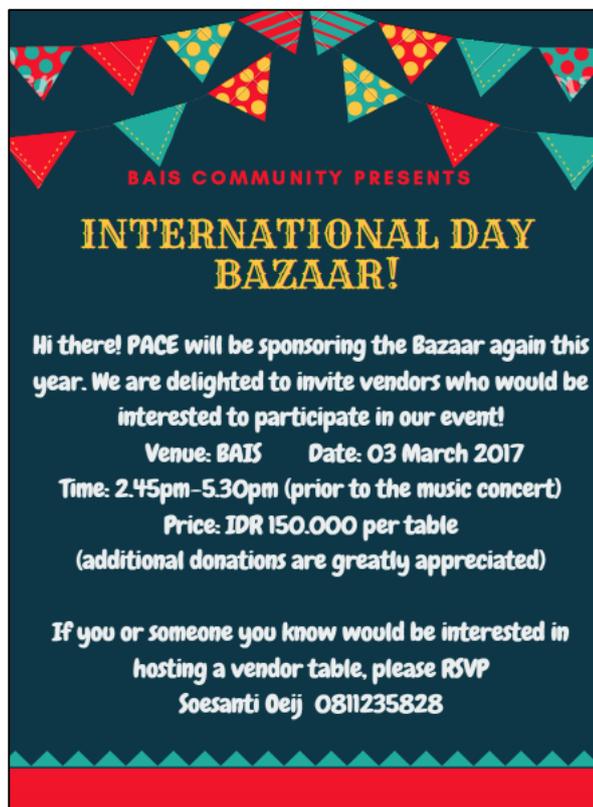

I am very pleased with the progress so far in the recruiting process. Please pray for the remaining positions to be filled. The listing of positions can be found using this [link](http://www.nics.org/schools/bandung-alliance-international-school/) <http://www.nics.org/schools/bandung-alliance-international-school/>. If you have any possible leads for these positions, please have them contact me, either of our principals, or the NICS home office for more information.

## IMPORTANT CHANGES FROM ATHLETICS

### Parents,

Due to unforeseen circumstances, BALI is unable to host Badminton & Cross Country together with Swim this year. Thus, Mountainview has stepped up to host both sports the weekend of April 7-9th in Salatiga. The drama production will now take place the weekend of April 20th. With that, BAIS has made arrangements to begin ASAP. We are starting with try-outs next week! If you have a child interested in joining us for either Badminton or Cross Country, please encourage them to try-out next week.

Thank you in advanced for your support and understanding.

In Christ,

Athletics
